MSI TEC

PRODUCTIVITY THROUGH TECHNOLOGY

For over 25 years, MSI TEC has empowered businesses to increase productivity and reduce operating costs through innovative technology solutions. Our mission is simple: to serve as a trusted partner in your success by delivering tailored solutions and exceptional support.

In addition to providing engineered and custom OEM solutions, we proudly partner with industry-leading brands in automation, robotics, computing, and industrial networking. MSI TEC is your one-stop destination for industrial-grade components and hardware, backed by dedicated support every step of the way—from pre-sale consultation to post-sale assistance.

As a preferred partner to a wide range of top-tier vendors, MSI TEC offers expert guidance to help you select the perfect solution for your project. As a preferred distributor for premier hardware manufacturers, we act as your single point of contact, ensuring seamless pre-sale and post-sale support while extending the expertise of the manufacturers we represent.

Headquartered in Centennial, Colorado, MSI TEC also operates sales and engineering offices across Arizona, California, Idaho, Utah, and Colorado—bringing our expertise and personalized service closer to you.

MOTION CONTROL

- PC/PLC/HMI
- Controllers
- Motors & Drives
- Mechanical Components
- Power Supplies
- Turn-Key System Design
- Control Panel Design
- Programming and Support

PANEL BUILDS & DESIGN

- Turn-Key System Design
- Control Panel Design and Fabrication
- Documentation
- State-of-Art Panel Shop

ROBOTICS

- Grippers & End-of-Arm-Tooling
- Design & Engineering
- Integration and Programming
- Start-Up Support
- Pedestals, Machine Bases & Platforms
- Flexible Part Feeding Systems
- Integration of Sensing and Safety
- Machine Vision

INDUSTRIAL NETWORKING

- Remote Monitoring and Access
- Network Design & Optimization
- Network Troubleshooting
- Security Audits
- Training and Education
- Pre-Configuration for Easy Deployment

COMPONENTS & HARDWARE
